Chapter 1

Defining Value in the Relevant Context: Definitions of Value	1
Commonly Used Definitions of Value	2
Fair Market Value	2
Fair Value under State Statutes	5
Fair Value for Financial Reporting	6
Investment Value	8
Intrinsic or Fundamental Value	9
Other Terms Referring to Value	11
Acquisition Value	11
Book Value	11
Going-Concern Value	12
Enterprise Value	12
Liquidation Value	12
Strategic Value (Synergistic Value)	12
Transaction Value	13
Sources of Authority for Definition of Value	13
Statutory Law	14
Federal Statutes	14
State Statutes	15
Legally Binding Rules and Regulations	15

Contractual Definitions of Value	15
Non-Legally Binding Administrative Rulings	16
Precedential Court Decisions	16
Direction from the Court	17
Direction from the Lawyer	17
Use of IRS Authority in Non-Tax Situations	18
Opinions of Other Lawyers and Appraisers	18

Chapter 2

Value to Whom? Levels and Premises of Value	19
Levels of Value	19
Premises of Value	21

Chapter 3

Overview of Business Valuation Approaches, Methods, and Procedures	23
Approaches and Methods Not Totally Discrete	23
Hierarchy of Approaches, Methods, and Procedures	24
Basic Appraisal Approaches	24
Methods Used within Appraisal Approaches	25
Income Approach Methods	25
Market Approach Methods	25
Asset Approach Methods	26
Summary of Business Appraisal Approaches and Methods	27
Business Appraisal Procedures	28
Invested Capital versus Equity	28
Ambiguities of Business Valuation Terminology	28
Summary	30

Chapter 4

Financial Statement Terminology Used in Business Appraisal	31
The Basic Financial Statements	31
Balance Sheet Concepts	34
Common Equity	34
Invested Capital	34
Capital Structure	35
Book Value	35
Book Value per Share	35
Tangible Book Value versus Total Book Value	35
Net Working Capital	36

Miscellaneous Expense Concepts	36
Noncash Charges	36
Owner's Compensation (Including Disclosed or Hidden Perks) ..	36
Levels of Economic Income	36
Sales (Net Revenues)	37
Discretionary Earnings (Also Called Seller's Discretionary Cash Flow [SDCF] and Owner's Cash Flow [OCF])	37
Earnings before Interest, Taxes, Depreciation, and Amortization (EBITDA)	38
Earnings before Interest and Taxes (EBIT) (Also Called Operating Income)	38
Gross Cash Flow	38
Debt-Free Net Income (DFNI)	39
Debt-Free Cash Flow (DFCF)	39
Pretax Income	39
Net Income	40
Primary versus Diluted Net Income per Share	40
Net Cash Flow to Invested Capital	40
Net Cash Flow to Equity	41
Variables Affecting Net Cash Flow	42
Capital Expenditures	42
Changes in Net Working Capital	42
Changes in Debt	43
Cash versus Accrual Basis Accounting	43
Accrual Basis Accounting	43
Cash Basis Accounting	43
Conversion from Cash to Accrual Basis	43
Summary	44

Chapter 5

The Income Approach	45
The Concept of Discounting	47
The Concept of Capitalizing	48
The Basic Capitalized Cash Flow Model	49
The Constant Income Capitalization Model	49
The Income Capitalization Growth Model (Gordon Growth Model)	50
The Basic Discounted Cash Flow Model	52
The Discounted Cash Flow Model for a Limited Life Investment ..	52
The Discounted Cash Flow Model Using a "Terminal Value"	53
Capitalization Model versus Market Multiples for Estimating Terminal Value	57

Concept and Estimation of Discount Rates	58
The Concept of the Discount Rate	58
Elements of the Discount Rate: A Risk-Free Rate and a Premium for Risk	59
Estimating Discount Rates for Fixed-Income Securities	59
Estimating Equity Discount Rates: The Buildup Model	60
The Risk-Free Rate	60
The Equity Risk Premium	60
The Size Premium	61
Specific Company Risk Adjustment	61
Industry Risk Premia	62
Summary Illustration of the Equity Discount Rate Using the Buildup Model	62
Estimating Equity Discount Rates: The Capital Asset Pricing Model	63
Definition of Beta	63
Computation of Beta	64
Betas for Privately Held Companies	64
Incorporating Beta into the Equity Risk Premium	64
The Size Premium (Small Stock Premium) in CAPM	66
Specific Company Risk Adjustment in CAPM	66
Summary Illustration of the Equity Discount Rate Using CAPM	66
Concept and Estimation of Capitalization Rates	68
The Concept of a Capitalization Rate	68
Elements of the Capitalization Rate	68
Estimating Equity Capitalization Rates	68
Valuing Invested Capital versus Valuing Equity	69
The Concept of Weighted Average Cost of Capital	70
The Basic WACC Computation Model	70
Derivation of Weights for WACC	71
Preference for Net Cash Flow in Income Approach	72
Net Cash Flow Matches Empirical Data	73
Net Cash Flow Is What You Get	73
Use of Net Cash Flow Keeps Income Approach Discrete	73
References	78
Basic Income Approach References	78
Cost of Capital Data References	79

Chapter 6

The Market Approach	81
Market Approach Concept and Overview	81
Valuing Controlling versus Minority Interests	81
Valuing Total Invested Capital versus Direct Valuation of Equity ..	83
Using Sales of Entire Companies or Publicly Traded Guideline Companies	83
Sources of Market Approach Data	84
Sales of Public Companies	84
Sales of Private Companies	85
Guideline Public Company Data	85
Developing Market Multiples for Valuation	86
Invested Capital Multiples	86
Equity Multiples	87
Time Periods for Company Financial Statement Data	89
Criteria for Selecting Guideline Companies	89
How Many Guideline Companies?	90
Illustration of Developing Guideline Company Market Multiples	91
Deciding Where Subject Company Multiples Should Fall Relative to Observed Ranges	94
Relationship Between Market Multiples and Capitalization Rates .	94
Multiples Selected Should Be Based on Comparative Analysis ...	95
Different Multiples May Be Higher or Lower Relative to Guideline Companies	96
Relative Weights to Accord Various Multiples	98
Illustration of Valuation by Market Approach	98
Variations for Smaller Companies and Professional Practice Valuations .	99
Involvement of the Owner/Manager	100
Availability of Comparative Accounting Data	100
Prior Transactions, Offers, and Buy-Sell Agreements	104
Arm's-Length Negotiations	104
Prior Transactions	104
Offers to Buy	104
Buy-Sell Agreements	105
Alternative Definition of Market Value in Some Fair Value Cases	105
References	105
Basic Market Approach References	105
Private Company Sale Databases	107
Public Company Transaction and Sale Data	107

Chapter 7

The Asset-Based Approach	109
Basic Concept of the Asset-Based Approach	109
Discrete versus Collective Revaluation	109
Steps in the Adjusted Net Asset Value Method	110
Valuation Premises for Adjusting Balance Sheet Values	111
Illustrative Adjusted Net Asset Value	111
Breakup Value	111
When Are Asset-Based Methods Used?	112
Asset-Based Approach References	113

Chapter 8

The Excess Earnings Method	115
Background of the Excess Earnings Method	115
Basic Steps in the Excess Earnings Method	116
Applying the Excess Earnings Method	117
A “Sanity Check” for Validity of an Excess Earnings Method Value ..	119
Critique of Revenue Ruling 68-609	121
Use of Historical Averages Impractical	121
“Required Return on Tangible Assets” Ambiguous	121
No Definition of “Earnings”	124
No Guidance for Intangibles Capitalization Rate	124
Common Errors in Applying the Excess Earnings Method	124
Undefined Earnings Stream	125
Unsupported Normalized Earnings Stream	125
Failure to Allow for Owner’s Compensation	125
Unsupported Net Tangible Asset Value	125
Unsupported or Unrealistic Required Rate of Return on Tangible Assets	125
Unsupported or Unrealistic Capitalization Rate for Excess Earnings	126
Using Rates in the Revenue Ruling 68-609 Illustration Instead of Currently Supportable Rates	126
Claiming that the IRS Recommends Use of the Excess Earnings Method	126
Summary	126
Excess Earnings Method References	127

Chapter 9

Rules of Thumb	129
Transaction Databases with Price/Revenue and Price/Discretionary Earnings Ratios	129
Rules of Thumb Disclaimers	129
General Nature of Rules of Thumb	130
Rules of Thumb Not Cash-Equivalent Prices	131
Rule of Thumb Examples	131
Checking Alleged Rules of Thumb Against Actual Transactions	131
Court Reaction to Rules of Thumb	133
References and Sources	134
Basic Rules of Thumb References	134
Transaction Databases with Price/Revenue and Price/ Discretionary Earnings Ratios	135

Chapter 10

Personal versus Enterprise Goodwill	137
Distinction Between Enterprise and Personal Goodwill	138
Enterprise Goodwill Characteristics	138
Personal Goodwill Characteristics	138
Case Examples	139
Divorce Cases	139
Tax Cases	139
References	140

Chapter 11

Reasonable Compensation	141
Determining Reasonable Compensation	141
Sources of Information	142
Tax Court and Reasonable Compensation	144
Summary	145
References	146

Chapter 12

Financial Statement Adjustments	147
Reasons for Financial Statement Adjustments	147
Normalizing Adjustments	148
Nonrecurring Items	149
Discontinued Operations	149
Inventory Accounting Methods	150

Depreciation and Depletion Methods and Schedules	151
Net Operating Losses Carried Forward	151
Reserve and Allowance Accounts	151
Other Normalizing Adjustments	152
Control Adjustments	153
Reasonable Compensation	153
Insider Transactions	153
Separating Operating Assets from Nonoperating and Excess Assets ...	154
Comparisons with Other Entities	154
Treatment of Nonoperating and Excess Assets	155
Cash versus Accrual Accounting	155
Illustrative Financial Statement Adjustments	156
Income Statement Adjustments	157
Balance Sheet Adjustments	158
Financial Statement Adjustment References	159

Chapter 13

Comparative Financial Statement Analysis	161
Introduction	162
Tools of Financial Statement Analysis	162
Horizontal Analysis	163
Trend Analysis	164
Vertical Analysis	169
Analysis of Profitability	175
Analysis of Liquidity	182
Analysis of Long-Term Solvency	184
Industry Data Resources	186
Summary	187
Comparative Financial Statement Analysis References	187
Books	187
Databases	188

Chapter 14

Economic and Industry Analysis	189
National Economy—Recent Status	190
National Economy—Outlook	193
Regional Information	195
International Information	197
Industry—General Data	197
Industry—Composite Company Data	198
Summary	202

Chapter 15

Discounts and Premiums	203
Distinguishing the Minority Factor from the Marketability Factor	204
Minority versus Control	206
The Minority Owner’s Situation	206
Degrees of Minority versus Control Ownership	207
Quantifying Minority or Lack of Control Discounts	208
Discounts for Lack of Marketability	212
The Concept of Marketability	212
Degrees of Marketability or Lack Thereof	213
Other Factors Affecting Discounts for Lack of Marketability	214
Benchmark for Marketability	214
Evidence Quantifying Lack of Marketability Discounts:	
Restricted Stock Studies	215
FMV Opinions Database	219
LiquiStat Database	219
Evidence Quantifying Lack of Marketability Discounts:	
Pre-IPO Studies	220
Emory & Co. Pre-IPO Studies (formerly Baird & Co. Pre-IPO Studies)	221
Valuation Advisors Discount for Lack of Marketability Studies	222
Court Recognition of Marketability Discount Studies	222
Trend Away from “Benchmarking”	225
Discounts for Lack of Marketability for Controlling Interests ...	226
How the Applicable Definition of Value Affects the Minority/Control and Discount for Lack of Marketability Adjustments	227
Fair Market Value	227
Fair Value	228
Investment Value	228
How the Valuation Method Used Affects Premiums and Discounts ...	228
Income Approach	228
Market Approach	229
Asset Approach and Excess Earnings Method	230
Other Discounts at the Entity Level	230
Key Person Discount	230
Portfolio Discount	230
Trapped-in Capital Gains Discount	231
Litigation Risk	233
Environmental Risk	233
Other Discounts or Premiums at the Shareholder Level	234

Voting versus Nonvoting Shares	234
Blockage	235
References	235
Basic Discount and Premiums References	235
References for Premium and Discount Court Cases	236
Widely Used Premium and Discount Data References	236

Chapter 16

Reconciliation of Value Indications	239
Overview of the Reconciliation Process	239
Does the Conclusion Appraise the Right Property?	240
Major Considerations in the Reconciliation Process	241
Reconciling Divergent Results Among Business Valuation Methods ..	242
Weighting of Valuation Method Results	243
Explicit Weighting	245
Implicit Weighting	246
Final Value Estimate	247
References for Reconciliation of Value Indications	247

Chapter 17

Valuations for Federal Tax Matters	249
Fair Market Value	250
Fair Market Value Assumes Adequate Knowledge	252
Must Consider <i>Both</i> Buyer and Seller—and Both Must Be Hypothetical	252
Qualifications of Appraisers	253
Burden of Proof	255
Adequate Disclosure of Gifts	257
Access to Sites, Management, and Records	258
Arm's-Length Transactions	258
Approaches to Value	259
Market Approach	259
Income Approach	261
Asset-Based Approach	263
Discounts	263
Discounts for Lack of Marketability (Minority Blocks)	263
Gradually Increasing Marketability Discounts	264
Increasing Reliance on Empirical Data	264
Combined Minority and Lack of Marketability Discounts	268
Discounts for 50 Percent Interest	268
Discounts for Lack of Marketability (Controlling Interests)	269

Discounts for Lack of Control (Minority Discount)	270
Blockage	271
Key Person Discount	272
Nonvoting versus Voting Stock	273
Premiums	273
Trapped-in Capital Gains Taxes	274
Charitable Contributions	276
Contingent Liabilities	278
Subsequent Events and Information	278
Proximity of Financial Information to Valuation Date	279
Subsequent Sales	280
Buy-Sell Agreements	283
Weighting of Valuation Method Results	286
Pressure to Settle	288
References for Valuations for Federal Tax Matters	288
Articles and Books	288
Web Sites	289

Chapter 18

Shareholder and Partner Disputes	291
“Fair Value” Standard in Most Dissent and Dissolution Suits	293
“Delaware Block Rule” Expanded	294
All Relevant Factors Must be Considered	296
Strategic Value	297
Discounts or Premiums Often Major Issue	298
Discounts for Lack of Marketability and Lack of Control	298
Discounts Left to Court’s Discretion	298
Extraordinary Circumstances	299
Rejection of Shareholder-Level Discounts	300
Discounts Permitted	302
Control Premiums	302
Other Discount Issues	304
Discounts for Trapped-in Capital Gains	304
Lack of Combinatorial Value Discount	305
Lack of “Entire Fairness” May Broaden Remedies	305
Fair Value Is Not Fair Market Value	307
States Borrow Other States’ Precedents	308
Timely Actions Essential	309
References for Shareholder and Partner Disputes	309

Chapter 19

Marital Dissolution Valuations	311
Standard of Value for Marital Dissolutions	311
Premise of Value	315
Appreciation—Active versus Passive	315
Valuation Date	316
Goodwill	317
Buy-Sell Agreements	326
Covenants Not to Compete	331
Minority and Marketability Discounts	332
Trapped-in Capital Gains Taxes	334
Adequacy of Evidence	337
Access to Records	337
The Persistent Problem of “Double-Dipping”	338
References for Marital Dissolution	341

Chapter 20

Fair Value for Financial Reporting	343
Definition of Fair Value	344
Disclosures	347
Differences from Fair Market Value	348

Chapter 21

Employee Stock Ownership Plans	351
General Principles	351
Valuation Principles	352
Adequate Consideration	352
When Appraisals Are Required	353
Independence of Appraiser	353
IRS Audit Guidelines	354
Control versus Minority Interest	356
Lack of Marketability Discount	356
ESOP Financial Statement Adjustments	357
Repurchase Liability: Redemption or Recirculation	358
Relevant Case Law	359
<i>Charles S. Foltz v. U.S. News & World Report, Inc.</i>	359
<i>Las Vegas Dodge, Inc. v. United States</i>	360
<i>Howard v. Shay</i>	360
<i>Reich v. Valley National Bank of Arizona</i>	361
<i>Gary L. Eycler v. Commissioner</i>	362

<i>Henry v. Champlain Enterprises</i>	364
<i>Chao v. Hall Holding Co., Inc.</i>	365
<i>Keach v. U.S. Trust Co.</i>	367
<i>Armstrong v. LaSalle Bank National Association</i>	368
Summary	370
References	370
Articles	370
Books	371
Associations	373

Chapter 22

Valuing Professional Practices and Small Service Businesses	375
Trade-off between Cash and Terms	375
Easy Terms	376
Earnouts	376
Valuation Approaches and Methods	378
Income Approach	378
Market Approach	378
Excess Earnings Method	379
Asset-Based Methods	379
Rules of Thumb	379

Chapter 23

Valuing S Corporations and Other Pass-through Entities	381
Value and Taxes	381
Legislative Intent: Understanding the Tax Avoided by the S Corporation	382
Valuing S Corporations by the Income Approach Requires Usage of Market Return Rates Derived from Public C Corporations	384
Public C Corporation versus S Corporation Pricing under the Income Approach—an Example	385
Value of the Avoided Dividend Tax	388
Specific S Corporation Issues under Other Valuation Approaches and Methods	389
References	389

Chapter 24

Valuation Reports	391
Appraisal Report	391
Introduction	392
Sources of Information	393

Qualitative Analysis of the Company	394
Ownership Interest	395
Quantitative Analysis	395
Normalization and Control Adjustments	396
Valuation Approaches and Methods Considered	397
Valuation Approaches and Methods Used	398
Valuation Adjustments	400
Nonoperating Items	400
Excess or Deficient Operating Assets	401
Representations of the Valuation Analyst	401
Qualifications of the Valuation Analyst	401
Conclusion of Value	402
Summary Report	402
Agreed-upon Calculation Report	403
Oral Report	403
Exceptions to the Report Contents	403

Chapter 25

Checklist for Reviewing a Business Valuation Report	405
Credentials of Report Preparer(s)	405

Chapter 26

Admissibility and Impact of Expert Business Valuation Evidence ...	431
Supreme Court Affirms Courts' "Gatekeeper" Role	432
<i>Daubert v. Merrell Dow Pharmaceuticals</i>	432
<i>General Electric Co. v. Joiner</i>	434
<i>Kumho Tire Co. v. Carmichael</i>	434
Selecting and Evaluating the Appraiser	437
Professional Certifications and the Case for Peer Review	439
The CPA as Business Appraiser	440
Advantages	440
Disadvantages	441
The Financial Analyst as Business Appraiser	442
Advantages	443
Disadvantages	443
The Broker as Business Appraiser	444
Advantages	444
Disadvantages	444
The Academic as Business Appraiser	445
Advantages	445
Disadvantages	446

Court Cases Involving Appraiser Challenge 446
 The Appraisal Opinion Must Stay within Expertise 450
 Source Documents Must Be Those “Typically Relied Upon” by
 Appraisal Experts 451
 Subjective Statements Must Be Documented 453
 Superficial Treatment of Issues: The “Down and Dirty” Appraisal 454
 Inaccurate or Inadequate Use of Accepted Methodologies—the
 Expert Must Be Reliable 456
 Original and Personally Developed Appraisal Methods Create Risk ... 458
 Admissible Expert Evidence versus the Weight Accorded to It 460
 Conclusion 463

Chapter 27

Discovery and the Business Valuation Expert 465

Expert Witnesses: Disclosure Requirements and Written Appraisal
 Reports 469
 Federal Rule of Civil Procedure 26(a)(2) 469
 Jurisdictions That Follow or Deviate from FRCP 26(a)(2) 470
 Requests for Production of Documents and Entry for Inspection and
 Interviews 471
 Documents 471
 Site Visit and Interviews 473
 Lawyer’s Role 474
 Preparation 474
 Mission 474
 Information to Be Gathered 474
 Individuals to Be Interviewed 475
 Confidentiality 475
 Adversarial Proceedings 475
 Federal Rule of Civil Procedure 34 476
 Limitations on the Scope of Discovery 476
 Sanctions for Failure to Comply with a Discovery Order 478
 Subpoena for Production of Documents, Electronically Stored
 Information, or Tangible Things, or to Permit the Inspection of
 Premises 479
 Subpoena of Expert’s Work Papers 480
 Interrogatories: Timing of Service and Limitations 481
 Interrogatories Depend upon Written Report Requirement 481
 Timing of Service 482
 Limits on Number of Interrogatories That Can Be Served 482
 Form of Response 483

Depositions: Timing of Request and Special Rules	483
Federal Rules of Civil Procedure 26(b)(4), 30, and 31	483
States That Do Not Allow Depositions of Expert Witnesses as a Matter of Course	485
Ensuring an Expert Is Deposition-Ready	485
Timely Disclosure and Duty to Supplement	486
Scope of Discovery—Some Specific Examples	489
Involving the Business Valuation Expert in Discovery	494
Preparing Discovery Requests	494
Preparing Deposition and Interrogatory Questions	494
Presence at Opposing Expert's Deposition	494
Involving Your Own Expert in Depositions of Opposing Experts	495
Rebutting the Opposition	496
Summary	497

Chapter 28

Buy-Sell Agreements	499
Types of Agreements	499
Entity Purchase Agreements	499
Cross-Purchase Agreements	499
Hybrid Agreements	500
Tag-Along Rights	500
Types of Valuation Provisions	500
Fixed Price	500
Formula	500
Negotiation Among Parties	500
“Shotgun” Agreements	500
Independent Outside Appraisal	500
Drafting a Good Buy-Sell Agreement	501
Definition of Value	501
