Part 1

Understanding the Context

Chapter 1

Introduction 3

Chapter 2

Understanding the Nursing Home Environment 9

2:1 Key Definitions..... 9
2:2 Background.....10
2:3 Federal Funding Brings Control12
2:4 Key Elements of the Legal Structure.....12
2:5 Regulatory Interaction with Tort Liability.....13
2:6 Purposes of the Nursing Home Stay.....14
2:7 Significance of the Federal Categories15
2:8 Tort Liability15
2:9 Political Aspects.....16

Chapter 3

Ownership and Administration17

3:1 Who Owns This Nursing Home?17
3:2 How Is the Home Managed to Obtain a Profit?17
3:3 Role of the Corporate Budget Official18
3:4 Role of the Nursing Home Administrator18

Part 2

Responsibilities of Professionals

Chapter 4

Roles and Liabilities of Nursing Professionals.....23

4:1 Participants.....23
4:2 Staffing Levels24

4:3 Meeting Individual Patient Care Needs 24
 4:4 Allocating Responsibilities 25
 4:5 Professional Responsibility 26

Chapter 5

Roles and Liabilities of Physicians 27
 5:1 Role of the Nursing Home Medical Director 27
 5:2 Contractual Obligations 29
 5:3 CMS Norms on Physician Obligations 29
 5:4 Documentation of Decisions 29
 5:5 Actual Supervision of Patient Care 30
 5:6 Pharmaceutical Prescriptions 30
 5:7 Role in Restraints 31
 5:8 Malpractice Issues 31

Chapter 6

Support Roles of Specialized Organizations 33
 6:1 Dietary Support 33
 6:2 Pharmacy Support 34
 6:3 Laboratory Support 36
 6:4 Rehabilitation 37
 6:5 Documentation 37
 6:6 Administration 38
 6:7 Admissions 38
 6:8 Accounting 39
 6:9 Staff Training and Selection 39
 6:10 Facilities 39

Chapter 7

Facility Safety Issues 41
 7:1 Premises Safety Issues 41
 7:2 Fire and Emergency Issues 41
 7:3 Floods and Evacuations 42
 7:4 Facility Maintenance Issues 42

Chapter 8

Liability for Neglect: Skin Ulcers and Infection Problems 43
 8:1 Overview 43
 8:2 Legal Issues 45
 8:3 Dividing the Causes 46

8:4 Care Must Be Continuously Supervised	48
8:5 Record Keeping Is Essential to Defense	48
8:6 Standard of Due Care	49
8:7 Short Staffing	50
8:8 Evidence	51
8:9 Defenses.	51
8:10 Damages	52
8:11 Punitive Damages	52
8:12 Burns	52
8:13 Other Infection Concerns	53
8:14 Lessons from the Cases	53
8:15 Summary.	55

Chapter 9

Fall-Related Injuries	57
9:1 Introduction	57
9:2 Frequency and Severity of Nursing Home Patient Falls	59
9:3 Measures to Avoid Fall Injuries	60
9:4 Patient Evaluation	61
9:5 Procedures and Documentation	62
9:6 Responses to the Fall Event	63
9:7 Transportation Concerns.	63
9:8 Fall Cases Are Not Simple	63
9:9 Legal Implications of Fall Injuries	64
9:10 Proving Nursing Home Negligence in the Fall Case	66
9:11 Assembling the Proof of Causation.	67
9:12 Few Fall Cases Reach Appellate Levels	68
9:13 Evaluating Potential Litigation	69
9:14 Plaintiff's Theory of the Case.	69
9:15 Policies and Noncompliance	71
9:16 Examples of Fall Cases	71
9:17 Summary.	72

Chapter 10

Liability for Neglect: Wandering, Elopement, and Escape	73
10:1 Overview.	73
10:2 Response When Patients Escape	76
10:3 Why Patients Wander	77
10:4 Safety Versus Secure Buildings	77
10:5 Staff Responsibilities	78
10:6 Framing the Complaint.	78

10:7 Lessons from the Cases	79
10:8 Summary	80

Chapter 11

Use of Patient Restraints	83
11:1 Overview	83
11:2 Restraints and Uses	84
11:3 Restraint-Injury Litigation	85
11:4 CMS and State Norms	86
11:5 FDA Hazard Alerts	87
11:6 Summary	87

Chapter 12

Assault and Abuse	89
12:1 Overview	89
12:2 Criminal Aspects	92
12:3 Definitions	93
12:4 Sources of Assaults	95
12:5 Regulatory Duty of Care for Protection of Patients	96
12:6 Nursing Home Response to Assaults	98
12:7 Framing the Complaint for Civil Tort Liability	99
12:8 State Alternative Malpractice Remedies	102
12:9 Defending the Nursing Home's Supervision	103
12:10 Rape and Sexual Assault	104
12:11 Effects of Shock and Public Outrage	107
12:12 Allegations of Concealment of the Assault	107
12:13 Allegations of Employee Hiring and Supervision Errors	108
12:14 CMS and State Penalties	110
12:15 Punitive Damages	110
12:16 Liability Insurance	111
12:17 Evidentiary Issues	112
12:18 Governmental Immunity	112

Chapter 13

Liability for Prescription Drug Problems	115
13:1 Overview	115
13:2 What Drug Related Problems Arise?	116
13:3 Shared Liability: Malpractice or Drug Problems?	117
13:4 Malpractice by Misprescribing	118
13:5 Polypharmacy	120

13:6	Overdosing	121
13:7	Misdelivery	122
13:8	Inattentive Medical Oversight	123
13:9	Drugs as a Patient Restraint Option	124
13:10	Medical Device Problems	124

Chapter 14

Liability for Food Problems: Malnutrition, Dehydration, and Choking		127
14:1	Overview	127
14:2	Why Litigation Occurs	129
14:3	Types of Harm from Food	131
14:4	Chronic Risk: Weight Loss and Wasting	132
14:5	Learnings from the Cases	133
14:6	Acute Risk: Choking and Aspiration	134
14:7	Expert Testimony	135
14:8	Responsibility for Care and Feeding	136
14:9	Tube and Pump Feeding	137
14:10	Dehydration	139
14:11	Setting the Standard of Care	140
14:12	Evaluations of Patient Nutritional Needs	141
14:13	Assembling the Case	141
14:14	Baseline Evaluations	142

Chapter 15

Liability for Infections and Other Injuries		143
15:1	Infection Issues	143
15:2	Scalding and Drowning	144
15:3	Insects	145

Chapter 16

Nursing Home Admission and Discharge		147
16:1	Overview	147
16:2	Rationale for Placing the Resident into the Home	147
16:3	Economics of Admission Balancing	148
16:4	Admission Brochures and Agreements	148
16:5	Involuntary Discharge	149
16:6	Appeal of Involuntary Discharge	150
16:7	Patient Movement within Nursing Homes	150

Chapter 17

Assembling the Complaint151
 17:1 Overview 151
 17:2 Elements of Knowledge 151
 17:3 Elements of Due Care 152
 17:4 Elements of Corporate Responsibility 153
 17:5 Public Defendants 153
 17:6 Statute of Limitations Defenses 154
 17:7 Attorneys Fee Requests 154

Chapter 18

Defendants155
 18:1 Overview 155
 18:2 Interconnected Corporations 156
 18:3 Deposing Corporate Spokesmen 159
 18:4 Discovery of Defendant Identities 159
 18:5 Doctors as Defendants 159
 18:6 Products Liability 160

Chapter 19

Evaluating the Potential Plaintiff161
 19:1 Overview 161
 19:2 Deterioration of Mental and Physical Condition 162
 19:3 Testimony Issues 163
 19:4 Peer Pressure 163
 19:5 Actions After the Patient’s Death 163
 19:6 State Wrongful Death Actions 163
 19:7 Standing and Family Representation 164
 19:8 Practical Issues 165
 19:9 Effects of Death of the Plaintiff 165

Chapter 20

State Oversight and Regulation167
 20:1 Overview 167
 20:2 State Licensing 168
 20:3 Ombudsman Roles 169

Chapter 21

Attributing Shared Fault171
 21:1 Overview 171
 21:2 Nursing Liability 172

21:3 Physician Liability	172
21:4 Corporations Research	173
21:5 The Role of “Respondeat Superior” Liabilities	174

Chapter 22

Witnesses	175
22:1 Overview	175
22:2 When Are Experts Needed?	177
22:3 Case Evaluation and Nontestifying Experts	177
22:4 Current Administrators	178
22:5 Current Medical and Nursing Staff	179
22:6 Former Staff Members	180
22:7 Support Staff	181
22:8 Preparation and Document Review	181
22:9 Daubert Effect	181
22:10 Fact Witnesses	182
22:11 Deposing Management and Supervisory Employees	182
22:12 Deposing the Corporate Representative	183
22:13 Testimony of the Patient	183

Chapter 23

Use of Government Survey Findings	185
23:1 What Are Surveys?	185
23:2 Utility of Survey Findings to Plaintiffs	187
23:3 Authentication and Admissibility	188
23:4 Penalties and Appeals	188

Chapter 24

Documentation: Needs and Sources	189
24:1 Overview	189
24:2 Assembly of Records for Expert Review	190
24:3 Effect of Alteration or Destruction	191
24:4 Patient Privacy Issues	192
24:5 Mandatory Reports	192
24:6 Informed Consent	193
24:7 DNR and Advance Directives	193
24:8 Patient Care Plans	193
24:9 License and Survey Data re the Nursing Home	194
24:10 Medicare Cost Reports	194
24:11 HHS Office of Inspector General Reports	194

Chapter 25

Product-Related Risk Issues195
 25:1 Overview 195
 25:2 Reporting Injuries by Devices and Drugs 196
 25:3 Causation and Liability Allocation 197
 25:4 Consumer Safety and Flammability Issues 197

Chapter 26

Causes of Action.199
 26:1 Overview 199
 26:2 Negligence. 200
 26:3 Wrongful Death Statutes. 201
 26:4 Statutory Causes of Action 202
 26:5 Medical Malpractice 203
 26:6 Intentional Torts 204
 26:7 Wrongful Discharge of a Patient 204
 26:8 Misrepresentation 206
 26:9 Breach of Fiduciary Duty 206
 26:10 False Claims Act. 207
 26:11 Infliction of Emotional Distress 208
 26:12 Economic “Abuse” by Theft or Fraud 208
 26:13 Breach of Contract 209
 26:14 Remedies for Regulatory Inactivity 209
 26:15 Class Actions. 210
 26:16 Government Exclusions of Providers 210

Chapter 27

Damages Issues211
 27:1 Elders Have Low Economic Damages 211
 27:2 Noneconomic Damages 211
 27:3 Calculating Damages. 212
 27:4 Allocating Liability 213
 27:5 Death Effect. 213
 27:6 Effects of Tort Reform 214
 27:7 Punitive Damages 214
 27:8 Statutory Damage Provisions. 216
 27:9 Caps as Deterrence to Litigation 216
 27:10 Consequences of Large Awards for Medicaid Eligibility. 216

Chapter 28

Defenses **219**
 28:1 Overview 219
 28:2 Defenses Related to Patients 220
 28:3 Defenses Related to Families 221
 28:4 Defenses Related to Regulators 221

Chapter 29

Arbitration **223**
 29:1 Overview 223
 29:2 The Case for Requiring Arbitration by Contract 224
 29:3 Criticism of the Use of Arbitration 224
 29:4 Costs and Award Limitations 225
 29:5 Procedures 226
 29:6 Defenses Against Arbitration 226

Chapter 30

Motion Practice **229**
 30:1 Discovery Motions 229
 30:2 Failure to State a Claim 230
 30:3 Summary Judgment 230
 30:4 Removal to Federal Court 230
 30:5 Motions to Dismiss 231
 30:6 Motions After Verdict 231
 30:7 Remittitur 231

Chapter 31

Trial Procedure Issues **233**
 31:1 Voir Dire—The “Ideal” Juror 233
 31:2 Presentations and Demonstrative Evidence 234
 31:3 Decisions on Evidence 234
 31:4 Impeachment and Response 235

Chapter 32

Insurance **237**
 32:1 Coverage of Nursing Home Liability Cases 237
 32:2 Settlement Authority at “Policy Limits” 238

32:3 Bad Faith Litigation 239
32:4 Long-Term Care Insurance 239
32:5 Beneficial Role of Insurers 239

Chapter 33

Verdicts and Settlements 241
33:1 Overview 241
33:2 Settlement Influences 242
33:3 Effects of Settlement and Release 242
33:4 Verdicts Allocating Percentage Fault 242
33:5 Special Verdicts and Interrogatories 243
33:6 Verdicts Against Individual Actors 243
33:7 Partial Settlements with Selected Defendants 243
33:8 Releases of Selected Defendants 244
33:9 Threats of Bankruptcy 244

Chapter 34

Repayment of Liens and Offsets 245
34:1 Subrogation and the Effect of Repayment of Liens 245
34:2 Informing the Client Early 247
34:3 Continued Eligibility 248
34:4 Payment of Private Insurer Liens 248

Chapter 35

Conclusion 249

Table of Cases 253

Index 263
